## HISTORY and HERITAGE

Improving and Safeguarding

2019

Kirk Ella and West Ella are now the proud owners of 20 blue plaques indicating the historical value of many of the buildings and your pride in them.

Left – Cllr. Stan Raymond with Mr. Oxley about to put a blue plaque on his residence which is possibly the oldest building in Church Lane.

To widen our knowledge, the Parish Council has a project of erecting historical information boards in several positions on the Heritage Trail. We already had one at the beginning of the trail at Willerby Square and now have two new ones in place with historical photographs and information provided by Cllr. David Robinson. These are sited at both ends of Church Lane. More are planned in the near future. If you wish to obtain a copy of either, please contact the Parish Clerk.

A big thank you from the Parish Council to all those residents who, through planting the village street signs, garden frontages, and litter patrol the churchyard, help to make our villages such a pleasant parish to live in.

# ACTS OF REMEMBRANCE

To mark the centenary of the ending of WORLD WAR I

With the agreement of our new Rector, Ash Carter, the Parish Councillors decorated the war memorial in Kirk Ella churchyard. They displayed one large poppy for each name on the monument interspaced with smaller poppies; a small grant having been given by the E.R.Y.C.

The wreaths on the monument steps include the one from Kirk Ella St. Andrew's Community Primary School. You may also have noticed that in addition to all these activities, West Ella has now got a new war memorial. Congratulations to all those involved with West Ella's Community Project, bringing the new war memorial to the village to mark the 100th anniversary of the end of WW1. The Parish Council recognises the generosity shown by West Ella residents in donating all the necessary finance to successfully complete the project.
