

KIRK ELLA & WEST ELLA PARISH COUNCIL NEWSLETTER – AUTUMN 2014

New Councillors Co-opted

Following the sad loss of two of our dedicated and long serving Councillors Frank E Holmes and David Jordan, two new Councillors, David Robinson of Samman Close and John Bailey of Elveley Drive, have been co-opted to the Council for the period up to the Elections in May 2015.

Christmas Village Lights

Once again the Parish Council has ordered a Christmas tree to be placed in the St. Andrew's Church grounds. The official switch on, by the Head Girl and Head Boy of Wolfreton School, of both the Christmas tree lights and the Parish Council lights on the village shops, will take place on Saturday 6th December at 4pm. All welcome.

Coffee Morning

Residents are invited to a Christmas Charities Coffee Morning at The Beech Tree on Saturday 13th December, 10am to 12noon. There will be tombola, raffle and a variety of stalls all in aid of local good causes. Donated items for Tombola or White Elephant Stall would be very welcome. Please contact any Councillor.

Hands off East Riding – Referendum Result

Question 1

YES- 1,887 (3.5%)

No- 51,312 (96.5%)

Question 2

YES- 2,167 (4.0%)

No- 50,981 (96.0%)

Turnout- 53,199 (75.27%)

The residents of East Riding have spoken and the Kirk Ella & West Ella Parish Council, along with other Town and Parish Councils and The East Riding of Yorkshire Council, will fully support the decision of the people not to become part of Hull.

The Kirk Ella and West Ella contribution to the campaign costs were 100% funded by donations. Thank you to all who donated and helped with campaigning and deliveries.

Planning

The following recent planning applications aroused much public interest in our area:

DC/13/02629/STP– Erection of a wind turbine (60metres to hub, 87 metres to tip) at Land north west of Mill House, Albion Lane Willerby HU10 6TS

The above planning application was refused in February 2014. The period for the applicant to launch an appeal has now elapsed and no appeal has been lodged.

14/01989/STVAR | Variation of Condition 8 (approved building dimensions and operation) of planning reference 09/00417/STPLF | Little Weighton Railway Cutting Westfield Road Eppleworth East Riding Of Yorkshire

The above planning application was passed at the Planning Committee meeting held on 2 October 2014. Full details of the application and comments made are available on the East Riding of Yorkshire Council web site.

As you may know, sadly one of our Ward Councillors, Angela Ibson passed away on 18th. September. Angela worked tirelessly for our community and will be sadly missed.
