

Interested in having beehives in your garden?

We are amateur beekeepers living in Kirkella and are looking for suitable locations where we can keep a few more beehives.

Ideally we are looking for the beehives to be in a safe sunny location and not a nuisance to the public.

We already have some hives 'hosted' by people who have a large garden/meadow. If you are interested in having a couple of beehives in your garden but don't want the work of looking after the bees yourself, please contact: Janet & Gus O'Connor
