

Accessibility Statement for Kirk Ella & West Ella Parish Council (referred to as “The Parish Council”)

This website is run by the Parish Council. We want as many people as possible to be able to use this website.

You should be able to:

Zoom in up to 300% without the text spilling off the screen

Navigate most of the website using just a keyboard

Navigate most of the website using speech recognition software

Listen to most of the website using a screen reader

We’ve also made the website text as simple as possible to understand. [AbilityNet](https://mcmw.abilitynet.org.uk/) (<https://mcmw.abilitynet.org.uk/>) has advice on making your device easier to use if you have a disability.

We know some parts of our website aren’t fully accessible:

You cannot modify the line height or spacing of text

Some PDF documents, especially in earlier archives, may not be fully accessible to screen reader software

You cannot skip to the main content when using a screen reader

If you can’t access parts of this website and you need information in a different format such as an accessible PDF, large print, easy read, contact the Clerk who will consider your request and get back to you as soon as possible.

We’re always looking to improve our website accessibility. If you find any problems that aren’t listed on this page or think we’re not meeting accessibility requirements, contact the Clerk.

The Equality and Human Rights Commission is responsible for enforcing the Public Sector Bodies Accessibility Regulations 2018 (the ‘accessibility regulations’). If you are not happy with how we respond to your complaint you can contact the [Equality Advisory and Support Service](https://www.equalityadvisoryservice.com) (<https://www.equalityadvisoryservice.com>).

The Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications Accessibility Regulations 2018).

This website is currently partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard.
